

COMMUNITY

Scripture:

Acts 2:42-47, "They devoted themselves to the apostles' teaching and to fellowship, to the breaking of bread and to prayer..."

Journal Prompt:

What am I devoted to - are they things or experiences that are building my community, or are they isolating me?

Prayer:

Heavenly Father, I ask that as I pursue and create community, God would you show me signs and wonders, grant me favor among people, and use me to share the good news about Jesus Christ to those around me. Amen
