

A Note From Your Heavenly Father,

I want you to know I want to draw near to you and have you lean into me in prayer! I want your heart. I want to hear about your day. I want you to know you can trust me. I want you to know I am not hidden from your every moment (even if you want me to be).

We won't have the intimacy and vibrant relationship I desire with you without authentic communication and connection.

Prayer is way more than just the words -

It's LOVE!
