

How God Will Grow You in 2022

Pastor Brent Cunningham

Psalm 92:12-13, Jude 24

DISCUSSION QUESTIONS

The following questions are intended to use in discussion and application of the past week's sermon.

Listening

What part of the sermon was most helpful to you or challenged you to think and/or live differently? How will you apply this message to your life?

Engaging

Looking back on the last year, what markers or significant developments have led to who you are and where your life is right now? Were those things the result of intentional or things beyond your control? How did your intentional response to those things shape your current reality?

Read Jude 24 and Psalm 92:12-13. To be 'righteous' and 'without fault' may seem like an unattainable standard, but it is a pursuit of God in and through our lives. What is the difference between trying to live by sheer will-power and allowing the Holy Spirit to direct our lives?

Applying

Pastor Brent shared 5 ways that God is going to grow our faith: Practical Teaching, Private Disciplines, Personal Ministry, Providential Relationships, Pivotal Circumstances. Are there any of these categories that you might be able to intentionally engage this week? Is there any way the people or the ministries of the church might be able to help and resource you?

Praying

In light of this message and discussion:

How can we pray for each other?
Where do you feel challenged or convicted?
What can we praise God for?
How can we pray for our church?
