DISCUSSION QUESTIONS

The following questions are intended to use in discussion and application of the past week's sermon.

Listening

What part of the sermon was most helpful to you or challenged you to think and/or live differently? How will you apply this message to your life?

Engaging

Read 2 Timothy 3:16 through 4:2. In what ways do you strive to keep Scripture central in your life and in your relationships with others? What are some ways that you might further develop a personal commitment and maturity with Scripture?

What are the elements of faith that you feel are critical for believers to maintain? How do we discern the essential nature of those particular beliefs? On matters that are not included there, how do we reconcile differences and allow for other beliefs?

Applying

How do our beliefs get shaped? How are they tweaked, updated, solidified? How are they challenged, compromised, dismantled?

It seems like people often have significant struggles in both staying true to the truth and doing it in a way that is grace-filled and humble. Discuss how you have seen this balance navigated well.

Praying

In light of this message and discussion:

How can we pray for each other? Where do you feel challenged or convicted? What can we praise God for? How can we pray for our church?
