Pastor Donny Abbott

John 4:1-26, 39

## DISCUSSION QUESTIONS

*The following questions are intended to use in discussion and application of the past week's sermon.*

### **Listening**

What part of the sermon was most helpful to you or challenged you to think and/or live differently? How will you apply this message to your life?

### **Engaging**

The application of everlasting life and an ability to worship is boundless and offered to everyone. But the context by which salvation comes is uniquely extended by the work of God through the Jews (read v.21-22). Why do you think this would be such a struggle for people like the Samaritans? Is it a similar struggle for different people in our day? Discuss.

### **Applying**

How would you describe your experience and development of worship? Are there opportunities for that to be expanded and develop further? What are those opportunities?

Cultural and religious reasons stood between the woman at the well and the practices of worship. Are there things holding you back from full and vibrant worship in spirit and in truth?

### **Praying**

In light of this message and discussion:

How can we pray for each other? Where do you feel challenged or convicted?

What can we praise God for? How can we pray for our church?
